Whether you are an established player, a weekly hacker or someone totally new to the game, Wakefield Squash Club is the ideal Club to meet your squash playing needs.

New players are always welcome, any age, any standard! So come and be a part of one of the most progressive clubs in the region. We look forward to meeting you. See website: www.wakefieldsquashclub.co.uk for further information.

Rifle & Pistol

Beginners with little or no prior experience are especially welcome at R & P Club. The following is a little information on how the membership works: Each person who joins the Club will have to pass a probationary period before being granted full membership status. This is required in order to apply for a firearms certificate. During this time safety, technique and shooting skills are taught along with ample opportunity to try lots of different firearms. The minimum period before anyone can become a full member is 3 months and a minimum of 12 separate visits. Wednesday - Beginners' night. Please see website www.wrpc.co.uk for further information.

Chess

The first team has had improved fortunes defeating a York team and Doncaster to move up to fifth place in the table. Aditya Tangirela came first in the Leeds Junior Congress at the end of January.

Oscar Orr, aged 11, came third in the minor section at the York Junior Rapid Congress in January. He narrowly missed out winning the section.

Several of our juniors are playing for our second team on Saturdays and a few in the evening league.

At the beginning of February our junior team is taking part in round 2 of the Yorkshire Junior League in York which provides an excellent experience for them
